From Youth to Ogden, AB and Panthers. We had stops at Lugia's, Philly, NYC, even Vegas! We've watched you grow from a kid that just loved the game into a Defender, in every sense of the word. You learned to read plays before they happen and to tackle every challenge with grit. You secured victories with goal line stands that made the crowd roar. You've showed us what being tough and strong is really about. Watching you play has given us some of our best memories. We'll never stop being your biggest fans! Love - Mom, Dad, Addy, Cami and Kobe
